What is LiveON?

LiveON is the ultimate platform for music enthusiasts to connect, share experiences, and attend concerts together safely.

Connect with Music Lovers

Find like-minded people who share your musical taste and passion for live performances.

Safe Concert Experience

Attend concerts with verified users and enjoy a safer, more secure event experience.

Create & Join Events

Post concerts you're attending or join existing groups going to the same events.

How It Works

Get started in just a few simple steps

Sign Up & Create Profile

Create your account and tell us about your music preferences and interests.

Find or Create Events

Browse existing concert posts or create your own for events you're planning to attend.

Connect & Attend

Meet your concert companions and enjoy an amazing live music experience together!

Why Choose LiveON?

Verified User Profiles

All users go through verification to ensure a safe community.

Smart Matching

Our algorithm matches you with people who share similar music tastes.

Real-time Chat

Coordinate with your group through our integrated messaging system.

Event Discovery

Discover new concerts and events happening in your area.

About Us

We're passionate music lovers who believe that live music experiences are better when shared with others who truly understand the magic of live performances.

Our Mission

LiveON was born from the simple idea that concerts are more enjoyable when experienced with others who share your passion for music. We've created a platform that not only connects music lovers but also prioritizes safety and genuine connections.

Our team consists of music enthusiasts, safety experts, and technology professionals who are committed to making live music experiences accessible, safe, and unforgettable for everyone.
